Since 2000 the AAUW Laguna Beach Foundation (AAUW-LBF), the nonprofit arm of AAUW Laguna Beach Branch, has raised funds to support community programs. Last year these programs included: AAUW California Tech Trek Summer Science camp, and social and educational needs in the community that support our mission, e.g., Laguna Beach High School scholarships for girls, La Playa ESL program, Even Start, Laguna Beach Live!, Laguna Beach Community Clinic, and a new scholarship for women returning to college.

Once again this year we are inviting community organizations to submit a request for funding for grants ranging from \$200 to \$750 that address needs related to AAUW's mission, which is to advance equity for women and girls through advocacy, education, and research. Members of the Laguna Beach Branch of AAUW work through the Foundation to empower women and girls by providing education and enrichment opportunities to enable them to reach their full potential.

Eligibility:

- **Funding requests must relate to the education and needs of women and girls or provide information to educate and benefit the public on these issues, promote lifelong education, and promote societal change.**
- **Applicants must be from local community-based *nonprofit organizations***
- **Applicants must agree to submit an evaluative report documenting outcomes achieved through this funding by April 1, 2009**
