Persian music master KAYHAN KALHOR with BROOKLYN RIDER string quartet

Independent, energetic, entrepreneurial – the emerging Brooklyn art and music scene continues to evolve and to intrigue us with new ideas. **String quartet Brooklyn Rider** brings this fresh aesthetic to their music and to their role as guest artistic director of the 2011 Laguna Beach Music Festival (February 7-13). At this special event, created for members of AAUW and the visual arts community, the musicians of Brooklyn Rider will talk about the many and varied influences on their music – from the many creative paths of Brooklyn-based musicians, artists, designers, chefs, etc. **Persian music master Kayhan Kalhor**, the acclaimed co-founder of Ghazal Ensemble and Masters of Persian Music, two enormously popular groups on the world music scene, joins Brooklyn Rider for a short concert of enchanting, mystical, beautiful music .

The **Laguna Beach Music Festival** is a weeklong celebration of concerts, intimate musical salon evenings, workshops, discussions and (of course) parties throughout Laguna. Presented by Laguna Beach Live! and the Philharmonic Society of Orange County, the Festival is dedicated to artistic excellence and innovation, and is known for featuring prominent and promising artists in charming and intimate venues.
